Budget-conscious women should "be at The Gay Shop when the doors open." "One look at those almost unbelievable prices," one woman said, "was enough to convince me I'd better be there early!"

Another smart shopper summed up popular sentiment this way: "I've always gotten up-to-the-minute fashions at down-to-my-budget at The Gay Shop. And now, with no down payment, I can treat myself to a whole new wardrobe—and have months to pay for it."

"We have always given our customers top quality and top value," Paul Diamond said, and now we have made it possible for every Gay shopper to completely outfit herself and her family without any strain on her budget."

Mr. Diamond said, "Even bargain-famous Gay Shop never offered values like these before. Our customers will find fresh new merchandise at below-clearance prices—and pay not a penny down!"
